

Investor Services Associate

We are looking for an Investor Services Associate to join our Operations team based at our London or Guildford office, there may occasionally be some travel to attend relevant meetings, generally in the UK. The role involves hybrid working at least two days office based.

The successful candidate will process and administer Premier Fund Managers (PFM) business timely and accurately, they will support the management of Premier Portfolio Management (PPM) business. By monitoring, overseeing and processing discretionary and funds business on relevant platforms (internal or external). They will act as a point of escalation between Premier Fund Managers and Premier Portfolio Managers, support and proactively manage PFM and PPM projects as they relate to Investor Services. The candidate will be proactive in managing the launch and ongoing administration of the distribution portal (Connect). They will service clients and advisers timely and accurately, and in line with the propositions, and support any testing or project requirements relating to operational or regulatory changes.

If you are interested in the role, please send your CV (together with details of current salary) to:
